Premium online educational content is more affordable than you think!

ProgressBook has partnered with Jefferson County ESC to provide you with access to over 150 fully-customizable online courses as well as content for test preparation and credit recovery. Not only is all of the JCESC content aligned with Ohio education standards, it is also created by highly qualified Ohio educators and is regularly updated to ensure accuracy and relevance.

JCESC content saves you time and money!
- Fully integrated with ProgressBook VirtualClassroom
- Easy implementation
- Proven content developed by your Ohio educators peers
- Blended-learning compatible

“Buckeye Local High School is very pleased to complement our high school curriculum with the Virtual Learning Academy curriculum. Teachers can supplement their activities with grade level and state content aligned lessons. Our students enjoy the flexibility of completing lessons online, at school, and at home.”
- Coy Sudvary, Principal, Buckeye Local High School
